

## DID YOU KNOW NSPTO PURCHASES NSES SCHOOL SUPPLIES?

NSPTO has already ordered and distributed the items that your child's new teacher has requested. Every child, from PreK to Grade 4, will have the supplies they need in their new classrooms on the first day of school.

The NSPTO spends \$12,000 to \$15,000 per year on supplies.

If you would like to make a donation towards school supplies, you can make a contribution through our [Amazon Wish List](#) OR you can give a cash donation directly to a board member at Back to School Night!

## HOW ELSE CAN YOU HELP?
